## **ACADEMIC RULES AND REGULATIONS**

### **SIX YEAR INTEGRATED B. TECH PROGRAMME**

**(WITH EFFECT FROM ACADEMIC YEAR 2020-21)**

## 1. INTRODUCTION

RGUKT was established in 2008 with the major objective of catering to the education needs of gifted rural youth of Andhra Pradesh. The University follows ICT based learning strategy as the central focus of imparting high standard education.

- A. These regulations provide the frame work for the conduct of academic activities in all campuses of RGUKT-AP.
- B. These regulations shall come into force with effect from the academic year 2020-21 and shall be applicable to both PUC and B. Tech programs (unless otherwise stated) offered by the University.

## 2. PROGRAM STRUCTURE

- A. The program offered by the RGUKT-AP consists of two parts. The first part of the six-year course is a two-year Pre University Course (equivalent to Board of Intermediate Education, AP) followed by four-year B. Tech Program. The major courses of study in PUC are Mathematics, Physics and Chemistry. Further, English, Telugu and Information Technology are also the courses of study in PUC. Biology offered as optional course. However, students wishing to study M.BiPC have to compulsorily study biology and their PUC certificate will be issued with M.BiPC group. Those students taking biology as optional have to pass in the subject, and grade secured is included in the PUC certificate but not considered for SGPA/CGPA.
- B. B. Tech program is offered in seven engineering branches- Civil Engineering, Chemical Engineering, Computer Science and Engineering, Electronics and Communication Engineering, Electrical and Electronics Engineering, Mechanical Engineering and Metallurgical & Materials Engineering. Students of Srikakulam and Ongole campuses opting Metallurgical & Materials Engineering and Chemical Engineering Branches can choose either Nuzvid or RK Valley campuses as per their convenience.
- C. The B. Tech Degree Program consists of the following components:
  - a. Induction Program (IDP)
  - b. Basic Science Courses (BSC)
  - c. Engineering Science Courses (ESC)
  - d. Humanities and Social Science Courses (HSC)
  - e. Program Core Courses (PCC)
  - f. Program Elective Courses (PEC)
  - g. Open Elective Courses (OEC)
  - h. Mandatory Courses (MC)
  - i. Summer Internship (Mandatory)/Long term Internship (Optional)
  - j. Major Project & Minor Project (PROJ)

Electives shall be offered only if a minimum of 15 students are registered for a course. In case of less registrations for an elective course, option shall be given to

the registered students either to select the other existing courses or a NPTEL/MOOC online course. For long-term intern after advice of the supervisor/faculty advisor & approval of HoD, he/she may opt more than one NPTEL course but maximum no. of total credits should be within the permissible limits prescribed by the UGC/AICTE from time to time. HoD should identify the SWAYAM-NPTEL/MOOC courses before the commencement of a semester course registration.

- D. Students are allowed to opt for long term internship up to a maximum period of 1 year after successful completion of Third year of their B. Tech Programme. Study of Environmental Science, Indian Constitution and Community Service courses are mandatory in B. Tech Programme.
- E. As per the AICTE guidelines, 21 days Induction program shall be offered to the students after completion of their second year PUC program. Usually, the induction program shall be completed before the commencement of 1<sup>st</sup> year of engineering program. As part of the program, Human Values and Creative Arts shall be offered along with physical education and departmental awareness activities. Further, NSS/NCC/Sports/ Yoga/Fine Arts are offered to enhance personality development of the students.
- F. Further three week orientation program is compulsory for newly admitted PUC students. Main objective of the program is to prepare the students learning ready in the RGUKT environment. The program consists of four sub-components (i) Bridge course in Mathematics, Physics, Chemistry and English, (ii) Digital Literacy, (iii) Campus Academic Life, and (iv) Extra Curricular Activities. During orientation program a proficiency test will be conducted in Mathematics, Physics, Chemistry and English to identify and address the learning gaps.

### **3. BRANCH ALLOCATION RULES:**

- A. A student, who cleared all the courses of PUC and fee dues (Institute Tuition fee, and other dues), is eligible for branch allocation in B. Tech programmes.
- B. The number of seats in each branch of B. Tech Programme in each institute shall be decided by the Governing Council with the recommendations of the Academic Council.
- C. Branch allocation process shall be done for students as per Rule of Reservation and merit, through counseling process (Open or Web based).
- D. After completion of branch allocation, arbitrary transfer (including mutual transfer) of seat from one branch to another branch shall not be allowed.

### **4. GUIDELINES FOR MINOR PROGRAM**

- a. The minimum number of additional credits required to obtain the minor degree is Twenty (20).
- b. Minor degree courses shall be offered from the first semester of the second year onwards. A student is given the option to complete the minor degree before completing the final year.

- c. Mechanical Engineering (ME), Civil Engineering (CE), Chemical Physics, Chemistry, Mathematics, Fine arts (Music, Vocal, Kuchipudi, Mridangam), Renewable Energy sources, Robotics and Drone Technology, Machine Learning and AI, Material science for additive manufacturing, Material Testing, Materials processing and Manufacturing, Advanced materials Technology are currently being offered under minor program.
- d. Courses from SWAYAM NPTEL/MOOCs/Coursera can also be opted subject to credit ceiling limits by UGC/AICTE.
- e. Number of minor programs to be offered in an academic year is at the discretion of campus Director based on availability of the faculty.
- f. If any student wishes to withdraw in between from the minor program then he/she should submit a request to the HoD (parent department where students belong to).
- g. All successfully completed courses in the minor program shall be included in the grade sheet. However, in case of withdrawal from the minor program, completed course only shall be included in the final grade sheet under a column as 'Additional courses completed' but the grades obtained in these courses shall not be considered for calculating overall grading of the minor/major program.

**A. Maximum Duration of the Program**

- a. The maximum duration of six year (PUC+B. Tech) program is Twelve years (i.e. for PUC: 2+2 years & Engineering: 4+4 years) reckoned from the year of admission which shall also include any sort of discontinuity.
- b. Extension beyond the stipulated maximum duration may be granted as per the decision of academic council/governing council.

**5. TEMPORARY WITHDRAWAL FROM THE INSTITUTE**

- A. A student who has been admitted to the institute may be permitted to withdraw temporarily for a period of one semester or two semesters from the Institute on grounds of prolonged illness or acute problem in the family, which compelled him/her to stay at home, provided that
  - a. He/she applies to the Institute within 15 days of the commencement of the Semester or from the date he/she last attended his/her classes whichever is later, stating fully the reasons for such withdrawal together with supporting documents and endorsement of the parent/guardian.
  - b. The Institute is satisfied that, including the period of withdrawal, the student is likely to complete his/her requirements for the degree within the time limits specified.
  - c. There are no outstanding dues against him/her or demands from him/her in the Institute/Hostel/Department/Library/NCC etc.

- B. A student, who has been granted temporary withdrawal from the Institute under the above provisions will be awarded 'W' grade. He/she will be required to pay the tuition fees and other fees/charges for the intervening period till such time as his/her name is on the Roll list.
- C. A student will be granted only one such temporary withdrawal during his/her tenure as a student of the Institute.
- D. Students who are readmitted on medical grounds or other extraordinary grounds will have to pay their mess and accommodation charges for the period of days present for the semester during which the student has discontinued, besides the regular fee payable for the year.

#### **6. ACADEMIC CALENDAR:**

- A. The University follows semester system. Usually, 1<sup>st</sup> semester starts on 1<sup>st</sup> July and ends by 30<sup>th</sup> November and 2<sup>nd</sup> Semester starts on 1<sup>st</sup> December and ends by 30<sup>th</sup> April.
- B. The number of **teaching days in a semester is normally 90.**
- C. Schedule of academic activities in an academic year include the dates of registration, examinations, co-curricular and extra-curricular activities like Technical seminars /Spring Spree/Institute Fest etc. Every year, at the beginning of academic year, Conduct of One/Two-day orientation program to all the students is mandatory. The program shall include students' awareness sessions on academic regulations, examination evaluation pattern and guidelines of Long-term/summer internship. During the program, the semester registration will be done. The program shall be executed by the individual departmental faculty/placement cell/exam cell.

#### **7. REGISTRATION:**

- A. Every student is required to be present and register compulsorily at the commencement of each semester on the day(s) fixed for and notified in the Academic Calendar.
- B. Percentage of attendance of the students will be counted from the date of commencement of the semester, irrespective of his/her date of registration. However, in case of PUC I Year I Semester, attendance will be counted from date of reporting to the Institute or date of commencement of class work, whichever is later.
- C. Registration will be organized at the respective Department under the supervision of the Head of the Department/PUC coordinator. Normally, no late registration shall be permitted after one week from the scheduled date.
- D. Only those students will be permitted to register who have
  - a. Cleared all the Institute and Hostel dues of the previous semesters,
  - b. Paid all required fees for the current semester, and
  - c. Not been debarred from registering for a specified period on disciplinary or any other grounds.

## **8. ATTENDANCE:**

- A.** Every student is expected to have 100% average attendance in all subjects in which he/she has registered. However, condonation for shortage of attendance up to 25% (i.e., not lower than 75% aggregate average attendance) may be granted by the HoD/Coordinator/Dean (Academic) for attending the co-curricular and/or extra-curricular activities, NCC/NSS camps, availing the medical leaves and etc.
- B.** In addition, a maximum of 10 days (beyond 25% consideration) can be granted for attending the co-curricular & extracurricular activities, NCC/ NSS Camps, and CDPC activities strictly at the discretion of the Director of the respective campus.
- C.** Attendance of a student is computed by considering total number of periods conducted in all courses as the denominator and the total number of periods actually attended by the student in all courses, as the numerator.
- D.** Students not having the mandatory requirement of minimum 75% attendance shall not be permitted to appear for the end semester examination.
- E.** Shortage of attendance in aggregate up to 10% (65% and above, and below 75%) in each semester may be condoned by the college academic committee on genuine and valid grounds, based on the student's representation with supporting evidence. A stipulated fee of Rs. 200/- shall be payable towards condoning of shortage of attendance.
- F.** Shortage of attendance below 65% in aggregate shall in **no** case be condoned.
- G.** Students whose shortage of attendance is not condoned in any semester are not eligible to take their end examinations of that semester. They get detained and their registration for that semester shall stand cancelled. They will not be promoted to the next semester. Students who do not put in the required minimum of attendance in any semester are automatically detained and shall repeat in the next academic year. They may seek re-registration for all those subjects registered in that semester in which students were detained, by seeking re-admission into that semester as and when offered; in case if there are any professional electives and/ or open electives, the same may also be re-registered if offered. However, if those electives are not offered in later semesters, then alternate electives may be chosen from the same set of elective subjects offered under that category.
- H.** Because of mishaps or prolonged illness, semester attendance of some of the academically good students may go below the prescribed norms. To safeguard the academic interest of such students, the students may be permitted to continue in the next semester with prescribed guidelines (Guidelines are mentioned in Annexure-1).
- I.** State Government rules and regulations on students' bio-metric attendance shall be followed time to time.

- J. Attendance for both theory and laboratory courses shall be entered before the end of each working week by the concerned faculty through faculty portal of the Institute website. Students are advised to monitor the status of their attendance through student portal of the Institute website.
- K. A student may be suspended from the Institute for violation of any of the provisions of this Code. The period of suspension and conditions, if any, shall be clearly indicated in the communication addressed to the student. The student shall lose his/her attendance for the suspended period.

## 9. EXAMINATIONS AND GRADING SYSTEM

### 9.1 Weightage for Internal and End Semester examinations

- A. Each theory course in a semester is evaluated for 100 marks, with the following weightages.

**Table 9.1 Weightage of Sub-Components**

S. No	Sub-component	Weightage (B. Tech)	Weightage (PUC)
1	Assessment tests (Best 4 out of 6)	10 marks	--
2	Mid-semester Examination (Best 2 out of 3)	30 marks	40 marks
3	End-semester Examination	60 marks	60 marks

However, Mandatory/compulsory (non-credit) courses (MC) will be evaluated with only End Semester Test for 100 marks.

- B. Each laboratory course in a semester (for both B. Tech & PUC) is evaluated for 100 marks, with the following weightages: No combined grading is allowed for any lab course with respective theory course.

**Table 9.3 Weightage of Internal and End Semester Examinations for Lab**

S. No	Sub-component	Weightage
1	Continuous Evaluation/Tests (Internal)	40 marks
2	End semester examination (External)	60 marks

- C. B.Tech Project work will be evaluated for 100 marks, with the following weightages:

**Table 9.4 Weightage of B. Tech Evaluation components**

S. No	Sub-component	Weightage
1	Periodic evaluation by Guide	20 marks
2	Mid Term review	20 marks
3	End Semester viva-voce examination	60 marks

### **10.1 CONTINUOUS ASSESSMENT (INTERNAL) AND END SEMESTER EXAMS**

- A. Appearing in the end-semester examination in the theory and laboratory subjects is mandatory for a student. If a student fails to appear for the end-semester examination, he/she shall be awarded 'Fail' grade in the subject. He/She will be permitted to appear for the remedial examinations to be conducted later, as announced in the academic calendar.
- B. There is no provision for remedial examination under continuous assessments (Internal) in both theory and Lab Exams.
- C. Students will be permitted to appear in the examinations in only those subjects for which they have registered at the beginning of the semester. End semester theory subject question paper contains two parts: Part-A consists of 18 objective questions for 18 marks (3 objective questions from each unit) and Part-B contains 12 descriptive questions with internal choice between 2 questions from each unit, and each question carries 7 marks (total 42 marks) Grand total will be  $18+42 = 60$  marks. Office of the Controller of Examination, will provide the model question paper following Bloom's taxonomy. Paper setters must assess on course outcomes outlined in each course and there by the program outcomes can be evaluated. (Refer Annexure-2 for details)
- D. To ensure transparency, the answer scripts after correction relating to Assessment tests, mid examinations, assignments etc., will be shown to the students within the time frame mentioned in the academic calendar.
- E. **Notification of corrected Key:** In Assessment tests/MID tests/EST, if any mistake(s) is (are) found either in the question paper or in key or in both by the students and/or faculty in any subject then they should bring it to the notice of Controller of Examination through subject coordinator/HoD on or before "FOUR working days" after publication of the Key/Question paper. Such requests/issues shall be processed within "FOUR working days" after receiving the requests/issues and modified results/key shall be notified to the students through the notice boards.
- F. A student has to secure a minimum of 40% marks in both internal and semester end exams put together for a pass in a theory course, provided a student has to secure a minimum of 30% (18 marks out of 60 marks) in end semester examination. In case of mandatory courses without continuous evaluation component, a candidate has to secure a minimum of 40% for a pass in the course.
- G. In case of Lab examinations, a candidate has to secure 40% minimum in internal and end semester exams put together to secure a pass.
- H. The student can appeal to Head of the department/Controller of Examination for any discrepancy within 4 days from the date of publication of semester end results.

### **10.2 SUPPLEMENTARY (REMEDIAL) EXAMINATION**

- A. The supplementary examination shall be conducted after one month from the declaration of end semester results.
- B. A fee of Rs. 200/- will be collected for each course in the supplementary examinations irrespective of no.of attempts.

### 10.3 GRADING SYSTEM

RGUKT follows the following grading system in results declaration.

Table 10.1: Grading Scheme

S. No	Marks Range	Grade	Grade points
1	90-100	EX	10
2	80-89	A	9
3	70-79	B	8
4	60-69	C	7
5	50-59	D	6
6	40-49	E	5
7	<40	Fail (R)	0

Note: CGPA score x10 gives aggregate percentage of Marks

Absolute grading system is followed for both PUC and B.Tech with effect from the admitted batch of 2020-21 i.e. PUC 1 and E1 and onwards.

#### SGPA and CGPA calculations

$$SGPA = \frac{\sum_{i=1}^n C_i * GP_i}{\sum C}$$

Where,  $C_i$  = Credit for the course,  $GP_i$  = the Grade Points obtained in the course and the summation over all the courses taken in that semester and 'n' is the number of courses registered in the semester.

$$CGPA = \frac{\sum_i^m S_i \times C_i}{\sum_i^m C_i}$$

Where 'm' is the total number of semesters under consideration.  $C_i$  the total number of credits registered during a particular semester and  $S_i$  is the SGPA of that semester. Both SGPA and CGPA shall be rounded off to the second place of decimal and recorded as such.

#### A. Criteria for awarding division and first class with Distinction

Students fulfilling the conditions listed below shall be eligible for award class:

CGPA range	Division
>=7.5 without any backlog during entire course of study	First class with Distinction
>=6.5	First division

<6.5 && >=5.5	Second division
<5.5	Pass division

**B. GOLD MEDAL FOR UNIVERSITY OVERALL TOPPER IN ENGINEERING**

- a) Should be a topper in relevant engineering branch.
- b) Should have passed all the courses in 'first appearance' within 4 academic years
- c) Should not have been detained or prevented from writing the end semester examinations in any semester due to shortage of attendance or any other reason.
- d) Should not have been punished due to any in disciplinary action.

**C. GOLD MEDAL FOR THE INSTITUTE TOPPER IN ENGINEERING**

- a) It shall be awarded to the student who has passed all the courses within prescribed period and topped among all the branches in that Institute.
- b) Should have passed all the courses in 'first appearance' within 4 academic years
- c) Should not have been detained or prevented from writing the end semester examinations in any semester due to shortage of attendance or any other reason.

**D. GOLD MEDAL FOR UNIVERSITY TOPPER IN EACH BRANCH OF ENGINEERING**

- a) It shall be awarded to the student who has passed all the courses within prescribed period in his/her own department and topped among all the students in his/her department.
- b) Should have passed all the courses in 'first appearance' within 4 academic years
- c) Should not have been detained or prevented from writing the end semester examinations in any semester due to shortage of attendance or any other reason.

**E. Reduction in pass marks for PH students (G.O Ms. No. 183):** Following prevailing orders from the Government, PH students under the category of Hearing impaired, orthopedically handicapped, visually challenged, Deaf and dumb shall be given a concession of 10% for pass in any course(s).

**F. Result Moderation**

The committee will scrutinize the results physically and recommends moderation considering the following factors

- a) Addition of 1% of the maximum marks of the theory courses appeared by the candidate in a semester as grace to secure a pass in a course or courses.
- b) Grace shall not be applicable to Lab courses

- d) General addition up to 5 marks in a course or courses in case the question paper is of very high standard resulting in percentage of pass in that course to below 50%
- e) After general addition, if required and grace in that order the SGPA may be calculated and results be declared.

#### **G. Recounting process**

- a) Students must submit their application to the institute examination section indicating clearly the course in which recounting is to be made.
- b) Application must be accompanied by a demand draft/e-receipt for the prescribed fee per course(Rs.200/-) drawn in favor of the Director towards the course(s) opted for recounting process.
- c) Results after the recounting process shall be declared following the academic regulations in force.
- d) In case of any changes in marks after recounting is done, the higher among the original and recounted marks shall be taken as the final marks.

#### **10.4 CONDUCT AND DISCIPLINE**

Students shall conduct themselves within and outside the precincts of the institute in a manner befitting the students of an Institute of National importance. Detailed rules regarding conduct and discipline are given in Annexure-3.

#### **11. SUMMER INTERNSHIP GUIDELINES:**

- A. Students shall opt for summer internship to gain ample field knowledge in the relevant field of engineering such that theoretical knowledge gained in the class can be applied to solve the practical/ field problem.
- B. Students can take a challenging task, may be small portion, and apply the knowledge gained to solve it. Summer internship can also involve data collection from different sources including generating experimental data, collection of data from field etc. Later on, the student is required to analyze the data collected and arrive at meaningful conclusions. **Registration to the summer internship program is mandatory.****
- C. Summer internship is aimed at solving some of the problems of the society/ local region that have practical applications and benefit the society.
- D. Different central and state government organizations, CSIR labs, premier institutions like IITs and IIMs, DRDO, public sector undertaking organizations, top IT companies, skill enhancement centers recognized by state or central governments, research labs and Industries (small scale to large scale) can be considered for summer internships.
- E. Students of RGUKT are permitted to undertake internships in RGUKT campuses also.
- F. Students shall devote SIX (06) weeks for summer internship in an organization. If any student undergoes internship duration is less than

06weeks, such interns shall not be considered. For in-house internships, student has to work for either 6 weeks or 160 hours.

- G. Head of the department may depute faculty members for monitoring the student summer internship by communicating to the company guide.
- H. The internship done by the student is assessed in two stages. i) End semester evaluation for 60 marks and internal evaluation for remaining 40 marks. HOD will constitute summer internship evaluation board consisting of dept. faculty members (in case of inter disciplinary projects, faculty from respective specialization shall be involved). Board may take decision to reject the student summer internship if it doesn't meet the requirements of summer internships. Such students have to repeat the summer internship.
- I. Individual department shall send the recommended student list to the academic section by second week of March every year. The list should contain the student basic details, concerned faculty details, research areas, expected outcome of the internships.
- J. If a student is found "ABSENT" for the summer internship program during his/her scheduled course of time, then he/she must complete the summer internship within stipulated time suggested by the HoD/Dean (Academic)/Director.

## **12. LONGTERM INTERNSHIP GUIDELINES**

### **12.1 Objectives**

- a. Long-term internship (optional) is an opportunity through which students can experience a real-life engineering workplace and understand how their engineering and professional skills and knowledge can be utilized in Industry.
- b. To demonstrate functioning engineering knowledge, both new and existing, and identify the areas of further development for students' careers.

### **12.2. Eligibility and Duration**

- a. The students without any backlogs (up to Engineering 3<sup>rd</sup> year) are eligible for the internship program. However, if an industry/company wish to recruit the students' with backlogs then such students may be permitted.
- b. Maximum allowed duration is 'One Year (Multiple internships subjected to maximum One year)'.  
c. The internships will be aligned with the aims of the engineering program and its areas of specialization.
- d. Central and State government organizations, premier academic institutions & research labs across the world, public sector undertaking organizations, IT companies (existing & start-ups), skill enhancement centers recognized by state and/or central governments, Industries (small scale to large scale), intra/inter RGUKT and any organization which shall satisfy the objectives of the program can be considered for long-term internships.

### **12.3. Selection Process**

- a. Eligible students can participate in the recruitment drives to be conducted by the recruiters in coordination with campus placement cell.
- b. Internship, which is not being offered through the recruitment drives conducted by CDPC, may be considered based on the recommendations of the following committee:
  - i. Faculty In-charge of CDPC- Chairman
  - ii. Senior faculty of the department- Member
  - iii. Project Guide \_ Member
  - iv. Department Placement Nominee- Member
  - v. Concerned HoD- Member Convener
- c. Generally, Students are not permitted to undertake the internship after commencement of a semester. However, in genuine cases and/or good intern offer, a student may be permitted to undertake the internship during a semester.

### **12.4 Roles and Responsibilities of Department during the internship program**

- H. Interns must register for the courses as and when semester begins.
- I. CDPC/DPN in consultation with recruited company and with the support of HoD shall identify the external project guide for the intern student. In case of interdisciplinary internship offer, the allotment of internal & external guide need to finalized within a week after undertaking the internship program.
- J. Internship student must complete the formalities as prescribed (refer Annexure -5A to Annexure-5F) before he/she joining the internship organization.
- K. Interns are advised to register for NPTEL courses which are interrelated to their internship work.
- L. Department Placement Nominee/Office of the departmental placement nominee should maintain the following record related to long-term interns:
  - i. Interns course registration details
  - ii. Internship organization details (Type (Govt./Pvt. Ltd, Location, Area of work)
  - iii. Internship details (Duration, starting and ending date of the internship, stipend, External Guide contact details, project title)
  - iv. Weekly internship performance report (attendance, conduct of the intern, progress of the work learned)
  - v. Weekly uploading of reading material. Course video links, content, textbooks, lecture notes, online discussion forums

(Note: It is suggested to develop a portal for maintaining/performing the above activities)

### **12.5 Conduct of Internal and End semester Examinations for Interns**

- a. If a long-term intern registered to institute offered course, then evaluation of the course is as follows. As part of continuous evaluation, the intern has to appear for the three mid exams before end semester examinations in each course registered.

**Table: Weightage of Internal/End semester exams**

S. No	Sub-Component	Weightage
1	Internal Examination	40 marks
2	End Semester Examination	60 marks

- b. If a long-term intern is registered to the NPTEL online courses, then credits obtained in the online end exam can be converted to our grading system. For grade conversion, divide the marks obtained in proctored NPTEL course by 10 rounded off to next nearest integer. For example, if a student got 8.42 after conversion, then it will be rounded off to 9 (Equivalent to 'EX' grade).
- c. If a student is permitted/rejoined to/from the internship during a semester, the choice may be given to the students for considering the internal marks, i.e., they may write the internal exams along with other long-term students or the internal marks obtained till joining the internship.
- d. For project evaluation, 40% of marks (internal marks) will be awarded by the external guide and remaining 60% (End semester marks) shall be awarded by the academic committee constituted by the HOD. HoD shall constitute an internship evaluation committee to evaluate the performance of all long-term internship students. In case of inter disciplinary internship projects, faculty of concerned specialization (may be from other departments) will be the special invitee.

### **12.6 Termination of Internship offer or Pre-Placement Offer (PPO)**

In the following cases the internship offer can be terminated on the mutual agreement And student may be permitted to the campus during a semester in the following cases:

- a. **Medical grounds-** In this case student should produce the medical certificate from authorized Doctor (must be a MBBS and higher).
- b. **Misconduct of the student-** Company should provide the valid proof against the Misconduct
- c. **Performance-** If a student internship performance is not found suitable for the full time employment
- d. The organization/company is failed to honor the PPO within the stipulated time meanwhile student got selected in the other campus drive.

### **12.7 Learning outcomes of the Internship program**

- a. Experience of applying existing engineering knowledge in similar or new situations
- b. Ability to identify when/where new engineering knowledge is required, and apply it,
- c. Ability to integrate existing and new technical knowledge for industrial application
- d. Ability to demonstrate the impact of the internship on their learning
- e. Understanding of lifelong learning process through critical reflection of internship experience.

### **13. INCENTIVES FOR SPORTS/ NCC/YOGA**

Achievers in sports/yoga/NCC/NSS/Fine Arts are given incentives in the form of additional marks per course as per their appearance in that semester.

S. No	Tournament Type	Category	Incentive marks
1	International	Medalist	15 marks
2	International	Participants	10 marks
3	All India Inter University	Medalist	10 marks
4	All India Inter University	Participants	5 marks
5	South India Inter University	Medalist	8 marks
6	South India Inter University	Participants	3 marks

Award of the incentive marks shall be recommended by the committee constituted by the Dean/Director.

### **14. RESIDENTIAL REQUIREMENT:**
